

Dear Human Resources Personnel:

This is to inform you that you can submit an ad about your own school district or charter school that will “sell” what you have to offer potential candidates (color ads not available). This would include presenting your area of the state, as well as, any information you have to attract teachers to your district or charter. Each candidate attending the Teach-In will receive a booklet of ads created by all of you. The booklet will ensure that all candidates learn about you and what you have to offer. The deadline is April 15 and you must send the ad via email.

As was done last year, we will need to charge a fee to print this document. Send in a check or purchase order to cover the cost of the ad when you submit your registration fee.

Cost of ad:

Full page \$300

Half page \$150

Quarter page \$100
